SCHOOL BOARD

PRINCIPALS

To the Senior Class of 1963:

The future of America lies in the youth, and I hope, that as you stand at the threshold of your career, you may regard life as an adventure, filled with opportunities for service in a new age of spiritual, moral, social, and economic changes. Not what we gain, but what we give, measures the worth of the life we live. Goodbye and Good Luck.

Glenn Smock

It is my sincere hope that the experience in preparation and publication of this annual along with all the other experience you have had during your attendance in public school will help you meet the challenges of life as they arise.

As I bid you farewell as a student, may I welcome you as a citizen. To all of you this will be a new experience as you accept your individual responsibilities in this modern era.

Remember that success is not measured in dollars but rather in service to others and that it is not the length of the step that counts but rather the direction.

Sincerely
Willis Horton

CLASS HISTORY

As we stand upon the threshold of a new life and new problems, we, the Seniors of 1963, look back upon the history of the past eight years which has played its part in making this graduation and commencement possible.

We entered the big school as Smallfrys, and landed in rooms 16 and 17 with Mrs. Gow and Mrs. Pattison as teachers. This was the year of 1955-1956 when the six townships had combined to form one large new school. This year as can be expected, we made many new and lasting friends. Under the supervision of Mrs. Gow and Mrs. Pattison we took a trip to Titusville to visit that historical landmark, Drakes Well.

As sixth graders, we climbed one more rung on the Ladder of Education and found our advisors to be Mrs. Perrine and Miss Cooper. With Mrs. Perrine and Miss Cooper as directors, we produced our first great work of art, a play depicting great American heroes.

At last we had reached the rung on the ladder that they call Junior High. Mr. Bertram and Mrs. Mills were our homeroom teachers. At the close of this year, we held a class party at which Karen Clark and Fred Sernik reigned as queen and king respectively.

As Eighth Graders we had Mrs. Burnham and Mr. Youngblood as advisors. We chose the following officers to lead our class: Karen Clark, Mary Sue Wengerd, Cherri Faye Clark, and Jim Arbuckle. At the close of the year we again held a class party and elected Joyce Powell and Ken Chess to reign as queen and king.

At last! Freshmen! Under the supervision of Mr. Arbuckle and Mr. Schall we elected the following officers: President, Jim Arbuckle; Vice President, Dave Schreiber; Secretary, Cherri Faye Clark; and Treasurer, Fred Sernik. This year we were privileged to take a science field trip to Pittsburgh. Also this year we were very thrilled to follow our "Panthers" to the State Championship Basketball Game.

Then, we became Sophomores with two more rungs of the ladder to go. On this rung we met Mrs. McDowell and Mr. Vesco. We elected officers: President, Jim Arbuckle; Vice President, Cherri Faye Clark; Secretary, and Treasurer, Cheryl Fisher. We were getting into more activities each year and one of our first problems was earning money for our Junior-Senior Prom. We began to conquer our problem by sponsoring three large dances, which were huge successes. As the year drew to an end we ordered our class rings. Looking ahead to the future we elected the following officers for our junior year: Bill Harpst. Cheryl Fisher, Pat Marshall, and Judy Hughes.

Hurrah! Juniors! This year we were in the Lab and Biology Room with Mr. Lenkner and Mr. Householder as advisors. With our officers already elected we were ready to go. At last our long-awaited class rings arrived and we were very pleased. This was the year for the Prom, and we all got busy and started planning for it. In planning and earning money for the Prom we sold T-shirts and sweatshirts to the grade school and operated coat check after basketball games and wrestling matches. We also took a history field trip to Fort Niagara and Niagara Falls under the supervision of Mrs. McDowell. Finally all the planning and work became a reality, our Prom which we called "Polonesian Paradise". Linda Cresswell and George Moyer were king and queen. The Senior Class of 1962 chose Les Ramsay and Linda Powell as honorary ushers for their graduation. Again looking to the future, we elected Ron Feydo, Dave Schreiber, Joyce Powell, and Pat Marshall as class officers for our Senior year. To make more money we presented a play "Grandad Goes Wild" under the capable direction of Mrs. McDowell and Mr. Horton. Then came the end of a wonderful year.

Ah! Finally! Seniors. And a full year in store for us. We returned to find ourselves in a newly constructed room with Mr. Patterson and Mr. Schall as our advisors. We started the year out with a bang with our officers already elected again. We had our Senior Pictures taken in August before school had begun. Our class play was "A Boy Named Buelah" which was under the capabled direction of Miss Buchanan. In October, our trip to Washington, D. C. proved to be everything for which we had waited. Other trips included a visit to the Mercer County Court House and Polk Institution. In June came Baccalaureate, and Finally. . . . . GRADUATION.

SENIOR CLASS PLAY

For three weeks the members of the cast worked for two hours each evening to learn their lines and get their actions correct.

Then the night came and as the play drew on, the nerves began to loosen. Finally the curtains closed and a sigh of relief was heard. The last play for the Seniors was a success.
